Since 1988 Strings has brought exceptional music experiences to the Yampa Valley. We have featured over 100 Grammy Award-winning artists and musicians from all 25 of the nation's top orchestras. The Strings Music Pavilion is the preeminent indoor concert hall in the region, voted best indoor music venue.

Our organization connects people of all ages with enriching education and entertainment year-round through performances at the Pavilion as well as special programs and free concerts at multiple additional venues throughout the community. Our connection to our patrons makes us a trusted source of great art and transformative experiences.
